

Help Out on State Natural Areas

Ridgeway Pine Relict Workday

Join in! Ridgeway is known for its scenic pine relicts that have northern plant species. Help care for this site by removing invasive plants and encouraging native plants at our second Friday workdays. Activities vary based on season but include brush cutting, piling, burning, invasive removal, seed collection, and others. The focus this month will be brush cutting. No skills needed you will be trained onsite.

Date: November 9

Time: 9am-noon

Directions: From Ridgeway- travel north on Co H for less than a mile to entrance on left. Park along the road. [Google map.](#)

What to wear: Dress for the weather and wear clothes that are OK to get beat up.

What to bring: Leather gloves, drinking water, loppers, we will have some extra equipment available for volunteers to use.

Contact, RSVP: If you plan to come please contact Mary Kay Baum at marykbaum@gmail.com or (608) 935-5834.
